To the 11th District constituents:

I hope this correspondence finds you in good health. Another year has passed and it has been quite unique. A lot of change has happened and in my estimation it has been good and positive. I would love to tell you that County government business is great and I'm perfect with my representation of you. Yes, it could be better and I will continue to strive for that.

I have had a number of calls and e-mails asking me about certain votes. I welcome any calls, but thought you'd be interested in some of the more prominent votes from this past year.

25 Years of Service

I would once again like to mention those residents of the 11th District who have worked for the County for 25 years or more. I am extremely proud of the fact that so many hard working, industrious Milwaukee County employees are members of my district. Those people with 25 years of service are: **Theresa Kroll, Linda Szczerbiak, Kristine Ciombor, Mary Zimowicz and Terri Jurewicz.** Congratulations and keep up the great work.
